**Objection to the decision to not proceed my criminal complaint against
„Endeavours to enforce me into crimes against humanity“**

(In case for any language based impediments; please contact me for further informations at any time.)

REQUESTER: Ms. Saliha Sylbija, Geistbühelstr. 29, 82362 Weilheim in OB, Deutschland
(Legitimation — copy of the pasport has previously been provided)

DEFENDANTS:

All persons and companies referred to in the criminal complaint.

On account of: „Endeavours (threatenings, blackmailing, coercings, harassments etc.) to enforce me into child trafficking, child abuse, human trafficking, crimes against humanity — and all further offences that may be included in the description“

Do to the limited/restricted influence of the German Legislation on the international level, I am also submitting (simultaneously to my Criminal Charge at the Public Prosecutor in Arnulfstraße 16, 80335 Munich/Germany) this Criminal Charge at the International Court of Justice.

Hereby I submit an objection against your decision to not further proceed my criminal charge against „Endeavours to enforce me into child trafficking, child abuse, human trafficking, crimes against humanity — and all further offences that may be included in the description“

DESCRIPTION:

With the acknowledgement of the 14 September 2020 I was informed that the ICC „will not further proceed my criminal complaint“; for, — based on the "very specific and carefully defined responsibilities and mandates" of the ICC — the ICC is able to act ONLY by:

- serious crimes that affect the global (international) community"
- crimes against "humanity"

SUBSTANTIATION:

Based on Article 7 of the Rome Statute of the ICC

Article 7 of the Rome Statute of the International Criminal Court Crimes against humanity

1. For the purpose of this Statute, "crime against humanity" means any of the following acts when committed as part of a widespread or systematic attack directed against any civilian population, with knowledge of the attack:
 - (a) Murder;
 - (b) Extermination;
 - (c) Enslavement;
 - (d) Deportation or forcible transfer of population;
 - (e) Imprisonment or other severe deprivation of physical liberty in violation of fundamental rules of international law;
 - (f) Torture;
 - (g) Rape, sexual slavery, enforced prostitution, forced pregnancy, enforced sterilization, or any other form of sexual violence of comparable gravity;
 - (h) Persecution against any identifiable group or collectivity on political, racial, national, ethnic, cultural, religious, gender as defined in paragraph 3, or other grounds that are universally recognized as impermissible under international law, in connection with any act referred to in this paragraph or any crime within the jurisdiction of the Court;
 - (i) Enforced disappearance of persons;
 - (j) The crime of apartheid;
 - (k) Other inhumane acts of a similar character intentionally causing great suffering, or serious injury to body or to mental or physical health.

¹ Paragraph 2 of article 5 ("The Court shall exercise jurisdiction over the crime of aggression once a provision is adopted in accordance with articles 121 and 123 defining the crime and setting out the conditions under which the Court shall exercise jurisdiction with respect to this crime. Such a provision shall be consistent with the relevant provisions of the Charter of the United Nations.") was deleted in accordance with RC/Res.6, annex I, of 11 June 2010.

the decision to „not further proceed my criminal complaint“ — based on the presumptions that my criminal complaints „are not related to matters of the jurisdiction of the ICC“ — is NOT admissible.

Threats, blackmail, extortion to force someone to commit crimes against humanity are at least as grave crimes as the acts of this kind themselves.

The decision conflicts exactly the Rome Statute that you claim to protect; as:

A)

My complaints (mentioned in the 135 pages of my Manuskript) FULFILL 90% of the criteria of the Artikel 7 of the Rome Statute "CRIMES AGAINST HUMANITY"; there are:

- a) Aspiration to "murdering" — on international level;
- c) Aspiration to "enslavement" — on international level;
- e) Aspiration to "imprisonment and/or other severe deprivation of physical liberty in violation of fundamental rules of international law" — on international level;
- f) Aspiration to "torture" — on international level;
- g) Aspiration to "rape, sexual slavery, enforced prostitution, forced pregnancy, enforced sterilization, or any other form of sexual violence of comparable gravity" — on international level;
- i) Aspiration to "enforced disappearance of persons" — on international level;
- k) Aspiration to "other inhumane acts of a similar character intentionally causing great suffering, or serious injury to body or to mental or physical health" — on an international level in form of: threats, blackmails, unemployment, forthcoming homelessness etc.!

B)

These crimes lie precisely WITHIN the competences of the ICC, since they

- are expressed by personalities and companies which live and operate in different countries worldwide,
- many of the mentioned personalities and companies are internationally active and have a large influence and impact on the international community;
- the crimes are expressed in Germany; which has approved the ICC and has ratified the Rome Statute!

Based on the continuing unemployment — now for 3 years; despite over 120 applications — and

upcoming homelessness,

I — and my family — are directly exposed to all above mentioned dangers without any protection.

Thus, in case you might persist to your previous decision; you have chosen — intentionally or not — to complicity!

I hereby kindly appeal to you to reconsider the decision thoroughly.

Yours faithfully

Saliha Sylbija
